Why is a Temporary Noise Waiver being requested? *	To avoid the noise /traffic disturbance during the day time for the local businesses located and civilians around the work area.
---	--

How does the work benefit the residents that will be impacted by the noise? *	By issuing a temporary noise waiver for night hours the public , local business, which reside in the Weathon area. They will be affected in minor way by the traffic and noise disturbance .In addition the risks of pedestrians transiting around the work area will drastically decrease during night hours.
--	--

Describe the steps that have been taken or will be taken to reduce the level or duration of the noise for which the waiver is requested *	We will do as much as possible to minimize disturbance. We are prepared to address any additional questions or concerns the DEP may have before or during the installation process.
